

ANTI-UNION COAL CONCERN IS HAVEN FOR "RED" GROUP

Indianapolis, March 30.—Relations between the anti-union Knox Consolidated Company of Indiana and the Communist National Miners' Journal, official magazine of the United Mine Workers of America, are growing more strained.

TEXTILE STRIKE WON; LABOR MAKES HISTORY

Elizabeth, Tenn., March 30.—Workers won the most important strike in the short history of the southern textile industry when they reached an agreement with the Glantzoff and Bemberg rayon plants. The strikers were unorganized when they suspended work, but affiliated with the United Textile Workers. More than 75 per cent are women and children.

CLEANERS START WAR WHEN PRICES ARE CUT

Washington, March 30.—An insight into the far-reaching nature of the work done by the cleaners, who are often marked by bombs and destruction of property, was gained in a suit filed in this city by Hyman Diener.

SILENT DRAMA ENDS? REPLACED BY TALKIES

New York, March 30.—"We are through with the silent drama," announces the Fox Film Corporation, one of the most active picture-producing companies.

RAILROAD RAISES PAY

Philadelphia, March 30.—Where the average workman of \$7,000 a year has been a station employee for 10 years, the railroad is now offering him \$10,000 a year.

IT'S YOU'RE MOVE, GOVERNOR YOUNG

Estelle Smith, drug addict and one of the state's leading witnesses in the Mooney-Billings case, has come out in the "frame-up" which resulted in sending these men to the penitentiary for life.

THE TWO EXTREMES AGAIN MEET

Organized miners prove that the anti-union Knox Consolidated Coal Company of Ricknell, Ind., is employing members of the Communist National Miners' Union, and is collecting dues for this outfit.

WORKERS ARE NEVER DEFEATED FOR WOMEN'S EIGHT HOUR LAW

Chicago, March 30.—"Opponents of the women's eight-hour law do not understand in every instance their alleged victory is a defeat," said U. S. Senator Charles McNary.

WORLD COURT FIGHT IS BEFORE SENATE

Washington, March 30.—Senate opponents of the World Court refused to accept the E.lliott R.ood interpretation of the League of Nations Covenant passed by the Senate when that body voted to ratify the treaty.

STRIKE VOTE TAKEN BY RAILROAD LABOR

Washington, March 30.—Several thousand organized shop men on the Southern Railway system have taken a strike vote to enforce a wage de-

SEA SERVICE BUREAU AIDS OWNERS TO BLACKLIST ORGANIZED SEAMEN

Washington, March 30.—Organized seamen will renew their fight in this Congress against the Sea Service Bureau, which is illegally maintained by the United States Shipping Board.

MOONEY-BILLINGS "FRAME UP" TOLD BY ANOTHER PERJUROR

San Francisco, March 30.—Estelle Smith, leading witness for the state in the Mooney-Billings prosecution, has declared under oath that she was compelled to commit perjury so that the accused men could be convicted.

STARVATION WAGES PAID BY UNCLE SAM

Washington, March 30.—Government employees living in large cities are unable to support themselves, according to a survey by the United States Bureau of Labor Statistics in Baltimore, Boston, Chicago, New York and New Orleans.

ECONOMIC FORCES BREAK MEN; SOCIETY MUST PAY FOR ILLS

By HON. FRANK MURPHY, Judge of Recorder's Court, Detroit, Mich. We hear much nowadays of the punitive treatment of crime. Would it not be wiser and more humane to face the underlying causes of crime, and to pay for the social ills which break down men's morale?

CHINA WOULD DISARM ANCIENT WAR LORDS

Washington, March 30.—The greatest problem of the new national government of China is to disarm the war lords, said Dr. C. C. Wu, Chinese minister to the United States, in a speech in this city.

STATE CAN BE NEEDED

Portland, Ore., March 30.—The State Supreme Court has ruled that a painter who was injured while employed by a contractor could sue the contractor or any of its subdivisions.

Age Limits General in Industry; Social Laws Used Against Workers

New York, March 30.—Thirty per cent, or nearly one-third, of the manufacturing plants of this country have maximum age limits for their workers, according to the synopsis of a survey by the National Association of Manufacturers.

UNHEALTHY FILIPINOS MENACE FAR NORTHWEST

Seattle, March 30.—Rigid physical examination of Filipinos entering this country has been ordered by the United States Health and Labor Commission.

WAR IS NOW CALAMITY; BUSINESS IS PACIFIST

New York, March 30.—"Business is opposing war and its opposition daily becomes more pronounced," said Ralph Hayes, vice president of the Chatham Phenix National Bank, in a speech in this city to a group of bankers.

STATE CAN BE NEEDED

Portland, Ore., March 30.—The State Supreme Court has ruled that a painter who was injured while employed by a contractor could sue the contractor or any of its subdivisions.
